RT to B.M.Sc. in Medical Imaging

Degree Requirements

The following requirements must be satisfied to earn the B.M.Sc. degree:

1. Applicants must meet a minimum residency requirement of three semesters. A minimum of 46 semester hours must be completed at Emory University.

2. Applicants must satisfactorily complete (grade of C or better) courses comparable to all courses in the Emory University Bachelor of Medical Science degree program in Medical Imaging.

3. Applicants must satisfactorily complete (grade of C or better) a minimum of 30 semester hours (45 quarter hours) of specified undergraduate core curriculum courses.

4. Satisfactory completion of 46 semester hours of required courses. All required course work must be completed with a grade of C or better.

5. Satisfactory completion of a minimum of 128 semester hours of undergraduate credit.

Note: Students, who are graduates of JRCERT accredited medical imaging programs that award certificates/diplomas, will be awarded a block of forty-eight semester hours of academic credit toward the B.M.Sc. degree.
