

BMSC in Medical Imaging Admission Criteria

The following requirements must be satisfied for admission:

1. Satisfactory physical and mental health.
2. Graduation from an accredited high school with a 2.0 or higher G.P.A., or high school equivalent diploma (GED) with a composite score of at least 50 percent. Applicants must submit official transcripts from all secondary schools that have been attended. Applicants must submit official GED scores, if applicable.
3. All applicants, regardless of past educational experience, must submit scores on the Scholastic Aptitude Test of the College Entrance Examination Board (institutional code 5196) or the American College Test. A minimum composite SAT score (critical reading + math sections) of 900 or a minimum composite ACT score of 19 is required for admission.

International students from non-English-speaking countries must also have a score of at least 600 on the written TOEFL exam or 250 on the computer-based TOEFL exam.

4. Applicants must have satisfactorily completed (grade of C or better) a minimum of thirty semester hours (45 quarter hours) of undergraduate courses distributed as follows:
 - a. Ten semester hours (fifteen quarter hours) in humanities
 - i. Composition I (required)
 - ii. Composition II (recommended)
 - iii. Literature (required)
 - iv. Course in either Art, Music, Theatre, or Dance (required)
 - b. Ten semester hours (fifteen quarter hours) in social science
 - i. General psychology (required)
 - ii. U.S. History (required)
 - iii. World History (required)
 - iv. Elective-as needed to meet the 10 semester hour requirement (Sociology, Economics, Political Science, Anthropology)
 - c. Ten semester hours (fifteen quarter hours) in natural and mathematical science
 - i. College Algebra (required)
 - ii. Anatomy & Physiology I & II (required)
 - iii. Introduction to Computer Science (required)
 - iv. Elective-as needed to meet the 10 semester hour requirement (Biology, Chemistry, Physics, Statistics)

Applicants must submit official transcripts from all post-secondary institutes that have been attended. Applicants must have maintained a minimum cumulative GPA of 2.0 on a 4.0 scale for all required courses.

5. All courses taken to satisfy the requirements set forth in 4 above must be taken at a regionally accredited institution. Graduates of foreign institutions must present transcripts of at least one full academic year (preferably in the sciences and in English) from an accredited college or university in the United States or Canada.
6. Submission of three (3) letters of reference from instructors (preferably), co-workers, or employers.
7. Verification of a minimum of 4 hours observation in an Emory-affiliated radiology department. The program will contact each applicant to schedule the clinical observations after the application and all supporting documents have been received.
8. Submission of an application. The application and all supporting documentation should be submitted together as a packet. If some required courses are still in progress, an initial transcript should be submitted with the application packet and a final transcript should be sent when all courses are completed.
9. Personal interview with program faculty. Interview sessions are scheduled between March and July. An applicant will be invited to attend an interview session after the application and all supporting documents have been received.
